

Lynn Fukuhara

BELT COLLINS

Lynn Fukuhara of Belt Collins Hawaii has provided administrative support to the APA Program Committee for more than 12 years. The committee is responsible for the monthly program lunch meetings sponsored by the APA Hawaii Chapter. These lunch meetings provide multiple benefits to members, including opportunities to network with others in the profession and to hear presentations on timely, informative, and thought-provoking topics. Lynn deserves special recognition for her many years of service in coordinating reservations and arrangements for the monthly meetings, as well as other APA-sponsored events. Perhaps more than any other person associated with the Hawaii Chapter, she has been a primary point of contact for local APA members and others in the community who are interested in planning. Lynn has truly gone "beyond the call" in furthering the purpose and programs of the organization and advancing the interests of practicing planners in Hawaii.
